On Thursday 16 June our residents and staff dressed up in 1920s style for our 'Guys and Dolls' themed day at Woodstock Residential Care Home.

Some of us wore our best **sparkly frocks, with beaded jewellery and feather boas**, whilst others dressed up as gangsters with a **white shirt, tie and braces**.

We **decorated our Home** in a black and gold theme, with balloons and 1920s stickers and accessories.

We had so much fun with everyone singing and giving their best performances at the **karaoke**. We sang along to some of our favourite songs and had such a laugh dancing, singing and cheering each other on!
