**Our Woodstock Residential Care Home residents and staff had a lovely time in the garden last week, enjoying a sunny barbecue.**

Everyone enjoyed eating **burgers** and **hotdogs**, with delicious **ice-cream** for dessert.

Residents and staff were all given a **sweet cone** to enjoy from our Manager Nicola, which was a super treat!

We sang **karaoke** and had a **dance** in our garden. It was a perfect afternoon enjoying the blue skies and each other's company.
