This week at Woodstock Residential Care Home we've been getting ready to arrive in Italy on our **Around the World with Nellsar Cruise**.

We had a **photoshoot** with residents after arriving in Italy. Everyone had a relaxing boat ride on our **Woodstock Gondola**, listening to some traditional **Italian music** with a **gorgeous ice cream**. *What's not to love?!*

Pizza Making

On Tuesday 11 May our ladies and gents had a taste of Italy, when they **made their own pizzas for lunch**. Everyone got to make one and choose their favourite toppings. *It was so much fun and the pizzas tasted delicious!*

Bellissimo Bolognese!

Today at **Woodstock** we had a lovely **spaghetti bolognese** with **garlic bread** for our lunch, followed by a fantastic **homemade tiramisu**.

Everyone thoroughly enjoyed this tasty lunch and dessert. *Well done to our amazing Cooks at Woodstock, delicious!*
