On Friday 2 July we were happy to see the return of singer Rob T to Woodstock Residential Care Home and enjoyed every minute of it!

We all had fun with a **sing-song** and a **dance** to our favourite songs in the garden.

We all got up together, holding hands in a circle, to sing along to Rob T's last song '*Sweet Caroline*' with smiles on our faces.

We were so glad to have him back and it was a lovely afternoon to celebrate Dudley's birthday too!
