Our residents from Woodstock Residential Care Home were excited to see a fabulous show at the Blue Town Heritage Museum on Thursday 11 October.

The '*All Time Musical*' show featured an impressive collection of musical performances and our ladies and gents enjoyed an afternoon tea as part of the outing.

Everyone said it was an 'amazing' show and agreed that the costumes were beautiful.

Vera said that one of the songs performed was her husband's favourite and it brought back special memories, which was lovely to hear.
