

Posted on January 20, 2022

On Wednesday 19 January, our Woodstock Residential Care Home residents and staff were preparing for celebrating Australia Day on Wednesday 26 January.

We had a lovely afternoon **colouring everything Australian** to decorate our **Home** for the day's celebrations next week; cheerful kangaroos and crocodiles, designing our own boomerangs, turtles and Australian flags.

This was a relaxing activity and was very therapeutic as we were concentrating hard on **colouring in our pictures**. We had a lovely chat and reminisced about last year's Australia Day at **Woodstock**.

*We are looking forward to what the day brings next week and the events we have planned!*
