**Our residents and families at Woodstock Residential Care Home enjoyed a belated New Years Eve party last week because we didn't get to celebrate on New Year's Eve due to covid.**

All our residents said how much they missed seeing in the New Year with a bang! So we brought back the bang with our celebrations and invited our families to join us.

We had delicious party food, cocktails, Prosecco and Bucks Fizz, and a visit from singer Gary King (as Elvis) to help us sing "*Auld Lang Syne*".

Everyone had great fun with lots of singing, dancing and party poppers.

Happy belated New Year from everyone at Woodstock!
