Happy birthday Maggie and Pete!

The team at Woodstock Residential Care Home wished our residents Maggie and Pete happy birthdays this week, with birthday cards and special celebration cakes.

Maggie turned 75 on Tuesday 2 March and she blew the candles out on her beautiful pink and white birthday cake. And **Pete** received a fab burger cake for his 66th birthday on Wednesday 3 March.

Both Maggie and Pete's families made a window visit to the **Home** to see them on their special day and gave them lots of presents.
