

Posted on August 23, 2023

On Wednesday 15 August our lovely residents Maureen and Joan celebrated their birthdays with us at Woodstock Residential Care Home.

Both ladies received lots of **cards and presents** from their family and friends, and were surprised when staff and friends sang 'Happy birthday' to them as they were presented with their **gorgeous birthday cakes**.

Both ladies received **beautiful bunches of flowers** which they happily showed off to everyone at Woodstock.

Many happy returns ladies!
