On Saturday 3 April we celebrated Carol's birthday here at Woodstock Residential Care Home.

Carol received lots of **gorgeous cards and presents** from her family, friends and staff. She also enjoyed a Skype call with her family on the day.

She loved getting her own **CD player** for her birthday, with a selection of CDs to listen to including one of her favourite singers, Pavarotti.

Staff sang '*Happy Birthday*' to her and she was presented with a **beautiful iced cake** made by our Cook.

Many happy returns Carol!
