On Saturday 9 September, Dot celebrated her birthday at Woodstock Residential Care Home and received lots of cards and presents.

Dot had **visits from her family** throughout the day and enjoyed a **lovely cake made by her granddaughter**, with plenty of slices to share around with staff and friends at Woodstock.

She also received a beautiful bunch of **flowers** and had a big smile on her face all day, especially when we sang '*Happy birthday*' to her and presented a **lovely cake made by our Cook**.

Our birthday girl was very lucky to have a gorgeous collection of cakes! Yum!
