On Friday 23 September we celebrated our Manager Roz's 60th birthday here at Woodstock Residential Care Home, with entertainment from singer Rob T.

Our residents and staff enjoyed having a **dance and sing along** to some of our favourite songs and we all sang '*Happy Birthday*' to Roz with help from **Rob T** as she was presented with a lovely cake made by our Chef.

We had a very enjoyable afternoon and our ladies and gents were very happy to be involved in the celebrations, with smiles all around.

Many happy returns Roz from everyone at Woodstock!
