Our lovely resident Jonathon (Jonty) celebrated his 78th birthday with his wife here at Woodstock Residential Care Home recently.

We presented him with a **beautiful handmade cake** created by our talented Cook Lynne in the theme of a **school blackboard** as **Jonty was a school teacher** in the past. *His big smile says it all!*

He received lots of **cards and presents** and had a lovely day celebrating with everybody.

*Many happy returns Jonty from everyone at Woodstock!*
