**We celebrated Mavis' 95th birthday on Saturday 15 October at Woodstock Residential Care Home.**

Our staff set up **banners and balloons** for Mavis and all signed a birthday card. Our chef Sebastian made her a **beautiful strawberry cake** and we all gathered together to sing '*Happy birthday*'.

Her **family and friends** also came to see her and brought cards, presents and a delicious homemade cake.

*We all wish you many happy returns Mavis!*
