**On Tuesday 25 January we celebrated Burns Night with our residents at Woodstock Residential Care Home, with a Scottish-themed photoshoot.**

We dressed up in a **tartan hat** (with added hair!) and put on our best smiles. We all had a great giggle seeing each other dressed up in character!

**Scottish haggis** was on the menu too and we enjoyed tasting the traditional dish.

We share an interest in poetry and read some of **Robert Burns' poems** – and were so impressed when Kate gave us a rendition of one of his famous pieces.

This was such a lovely way to explore different traditions, encourage conversation and share experiences.

*We hope everyone had a Happy Burns Night!*
