On Wednesday 15 September everyone at Woodstock Residential Care Home joined in with our Nellsar 'Carry on Camping' themed adventurous trip to Scotland!

We enjoyed our day with Captain Charles taking charge of our caravan and everybody having lots of laughs around the camp fire.

We had the **bagpipes** playing while **toasting marshmallows** and we even got a visit from the **Loch Ness monster Nessie** herself!

We dressed for the occasion with **beautiful hats and wonderful tartan blankets** to make our visit to Scotland even more special.

What a brilliant day we had!

We loved our camping trip in Scotland!
