On Wednesday 7 September everyone at Woodstock Residential Care Home celebrated National Beer Lover's Day with a variety of different beers to choose from.

Everyone enjoyed testing different **local beers** from our brilliant beer trolley.

We had a few favourites on the day including **Old Speckled Hen**, **Spitfire** and **Newcastle Brown Ale** – and of course a shandy was a popular tipple.

We all enjoyed crisps and pretzels alongside our beers and spoke about our favourite drinks and **reminisced about days in the pub.**

Cheers to National Beer Lover's Day!
