As part of NAPA's 'National Activity Providers and Professionals Week' last week, we wanted to celebrate our Recreation and Well-Being Lead Stephanie and our Recreation and Well-Being Champion Ellie for all the hard work they put in here at Woodstock Residential Care Home to ensure our residents enjoy every day.

To say thank you, we put on a **buffet** for them on Wednesday 24 January and our Chef presented them with a **chocolate celebration cake** to enjoy with their colleagues. They were also gifted **wine and flowers** with a thank you card each, and it was lovely to show them how much we appreciate what they do.

Huge thanks Stephanie (in beige) and Ellie (in blue) for your creativity and dedication.
