Scarlet turns 18!

On Thursday 12 August, everyone here at Woodstock Residential Care Home wished our Care Apprentice, Scarlet, a very happy 18th birthday.

Surprising her with giant rose gold helium balloons, and loads of pink confetti-filled balloons, we gave Scarlet a yummy chocolate birthday cake, a bunch of flowers and two bottles of flavoured vodka – to celebrate her birthday on the Friday 13 August.

Happy birthday Scarlet from everyone at Woodstock; we hope you had a fabulous day!
