Woodstock Care Home

Posted on October 20, 2020

We celebrated two birthdays at Woodstock Residential Care Home on Friday 16 October; Irene turned 91 and Vera D turned 93.

They both received lots of **cards and presents**, and Irene was presented with a lovely green rabbit and a baby boy doll for her birthday, which she loved!

They both had their own special *iced birthday cake* made by our lovely Cook Lynn.

Happy birthday ladies from everyone at Woodstock!
