On Friday 8 October we celebrated Charles' 90th birthday at Woodstock Residential Care Home.

Charles received lots of cards and had a **lovely birthday meal out with his family**, coming back to **Woodstock** in time for celebrations with **singer Bruce Winters**, who really got the party started!

Staff and friends at **Woodstock** sang '*Happy birthday*' when Charles' fantastic birthday cake arrived, made by our Cook, which featured a classic car.

Charles had lots of fun on the day and enjoyed spending time with his **friends and family**.

Many happy returns Charles!
