**We celebrated Christmas Jumper Day at Woodstock Residential Care Home on Friday 11 December, when our staff put on a festive show for our residents, which was such good fun!**

Sadly we couldn't have any school choirs visiting our **Home** for Christmas this year, so our staff put on an amazing choir and had all our residents feeling in the Christmas spirit.

We sang Christmas favourites including 'Jingle Bells', 'All I Want For Christmas', 'The Twelve Days of Christmas' and many more festive songs, to keep the magic of Christmas alive and bring joy to everyone.

We were all joining in **singing and dancing** and it was wonderful to bring everybody together.

Thank you to all our fantastic staff here at **Woodstock** – you are all stars!

***Merry Christmas from everyone at Woodstock!***

Our residents enjoying our festive show
