

*Posted on July 12, 2021*

**On Saturday 10 July everyone got competitive playing our indoor crazy golf game at Woodstock Residential Care Home, just in time for the start of the Golf Open Championship.**

Everyone had good fun **cheering each other on** and we had lots of hole in ones!

Our crazy golf set is portable, so we could take the competition to everyone.

We all had such a good time working on our putting skills and are looking forward to watching the British Open on television.

A hole in one??
