This week we had the pleasure of celebrating Daphne's 101 birthday with a special themed party here at Woodstock Residential Care Home.

**Daphne loves dogs**, so for the celebration we chose a **101 Dalmations party** for her, with black and white decorations.

In the morning we relaxed and **watched the film**, to make sure we had our dancing feet ready for the afternoon.

Daphne was spoilt with **gifts and a beautiful handmade card from her fellow residents**. She was thrilled too with her wonderful **101 Dalmations-themed birthday cake**.

We welcomed back **Rob T** to perform for us and everyone joined in having a dance.

*Many happy returns Daphne!*
