On Tuesday 9 February we got creative at Woodstock Residential Care Home with decorating props for our Chinese New Year celebrations.

Our residents loved adorning their own fans in **beautiful designs and patterns** to use as part of their costume for Friday's event.

We used a range of **bright coloured paint** to cover our fans and make them stand out. We all had fun painting together and shared lots of stories with each other. It was such an enjoyable afternoon.

We are all looking forward to celebrating Chinese New Year and putting our fans to the test!

We always enjoy painting
