

Posted on November 16, 2020

On Saturday 14 November we celebrated the first day of the festival of Diwali at Woodstock Residential Care Home.

We enjoyed an afternoon of **Indian food tasting**, with a selection of traditional snacks. Our residents tried **onion bhajis**, **vegetable samosas** and **poppadoms**, with a side of **mango chutney**. *Some great flavours!*

Everyone was very willing to try a bite, as it smelt delicious coming out of our kitchen!
