

Posted on January 14, 2020

Sunday 12 January was a joyful day here at Woodstock Residential Care Home as we celebrated two of our lovely ladies' birthdays.

Lena (*above*) celebrated her 74th birthday and Joan (*below*) turned 93. Both of our ladies received a special cake of their own made by our fabulous Cook.

Lena and Joan were delighted to receive lots of cards and present from staff, family and friends.

Happy birthday ladies!
