On Monday 14 June we invited singer Jasmine to visit us at Woodstock Residential Care Home to perform 50s and 60s music in our garden.

Everyone enjoyed **dancing and singing** along to some of their favourite music.

Even though the weather was scorching hot, we all still rock 'n rolled the day away!

Our staff dressed to match the theme of '**Dreamboats and Petticoats**' and our residents joined in too with spotted skirts and ties.

Good times!
