Our Woodstock Residential Care Home residents and family members all enjoyed an afternoon Easter tea party with games, delicious cakes and biscuits, colouring and decorating Easter chick biscuits – wearing their Easter bunny ears!

We were also delighted to receive a wonderful delivery of delicious **Easter eggs** from our friends at the **Oasis Academy School**. The group of pupils came in to our Home to make the delivery, which was so thoughtful of them.

Our residents were thrilled to receive their eggs and all enjoyed eating them.

Happy Easter!
