

Posted on June 5, 2019

We were delighted to wish our lovely resident Edith a very happy 90th birthday on Monday 3 June here at Woodstock Residential Care Home.

She had a lovely day celebrating – skype calling her family in Australia and opening the presents and cards they had sent for her.

The birthday girl won at 'Play Your Cards Right' and enjoyed having family with her to sing on our karaoke machine!

Many happy returns Edith – we are delighted you had such a special day.
