Woodstock Residential Care Home held a fantastic fireworks night for our residents and their families.

We had an amazing turn out with lots of families attending on the night and everyone 'ooed and aaahhed' at the lovely display in the garden.

We stayed warm with some yummy warm food including hotdogs, soup, hot sausage rolls, mulled wine and hot chocolate with Baileys and cream.

Our residents and younger guests all got to hold sparklers and wave them about to make pretty patterns in the air.
