**We all had a very happy Halloween here at Woodstock Residential Care Home!**

Our staff and residents enjoyed a day of fun, with **spooky games** which gave everyone the chance to win lots of **sweets**!

We all got in the spirit of **dressing up** and it was brilliant to see our staff and some of our residents joining in. We had **witches**, **skeletons**, **devils**, a **pumpkin**, **alien** and even our very own '**dead Cook**'!

*Such good fun!*
