On Friday 17 June we had a wonderful photoshoot for Father's Day here at Woodstock Residential Care Home.

Everyone had **happy smiles** and enjoyed sending love to their families to celebrate the special day.

We decorated a throne 'fit for a king' with a bright blue theme, covered in jewels with a sign above to say 'Happy Father's Day'.

We also had a crown, bedazzled with lots of sparkle, to make our residents feel special on this lovely day.

Sending love with a photo
