

Posted on February 23, 2021

On Wednesday 17 February we had a lively afternoon of singing and dancing as we enjoyed Fred Clark's video performance here at Woodstock Residential Care Home.

Fred used to come to **Woodstock** regularly and everyone loved him performing as he would make the songs personal and do dedications.

Fred dedicated songs to some of our residents this time over a **video link**. This made it feel like Fred was in the room with us! Wendy had a shoutout with the song 'Summer Holiday' by Cliff Richards and other songs were dedicated to **Barbara** and **Lena**.

Those who remember Fred performing were so over the moon to hear his amazing voice on the video and it was so lovely to see his face again.
