Happy birthday Margaret

Staff and residents here at Woodstock Residential Care Home wished our lovely Margaret a happy birthday on Monday 11 March. Margaret spent her birthday morning with her family and came back home for tea time when she enjoyed blowing out candles on her birthday cake. She had a wonderful day.

And many happy returns Helen

We also celebrated our resident **Helen's birthday on Monday 11 March**. Helen had a lovely day, spending time with her friends and family, and she loved her special birthday cake and candles!

Music from Michael Bublé

The ladies and gents here at **Woodstock** were in awe of a fantastic entertainer on Monday 11 March – a **Michael Bublé tribute act**. Our resident Helen especially loved it when he sang happy birthday to her! All the residents were singing along to the songs.
