

Posted on June 22, 2021

On Wednesday 16 June our residents at Woodstock Residential Care Home enjoyed the sun in our garden and a game of 'cocktail ping pong' – throwing balls into cups to win tasty drinks prizes.

We had different ball colours for the different flavoured drinks that were on offer;

Yellow for pineapple

Green for apple

Orange for orange

We had great fun and a bit of competition with everyone, and we all loved cooling off with our refreshing **fruit cocktails**, made with a splash of lemonade and crushed ice.

We had **ice lollies, ice creams and jellies** at hand too, as we all needed to keep hydrated on such a hot summer's day!

And some of our residents even dipped their feet in the **paddling pools** we had set up. *Bliss!*

Everyone enjoyed the afternoon, talking to friends and playing games.

Time for a dip in the pool!
