On Monday 4 October we enjoyed celebrating Gracie's 80th birthday at Woodstock Residential Care Home.

Gracie had some special **visits from family** on Sunday, receiving lots of super cards, presents and a cake.

On her special day, Gracie had visits from friends and received **gifts** and a beautiful **bunch of flowers**.

She was presented with an 80th birthday cake handmade by our Cook and all her friends and staff at **Woodstock** sang '*Happy birthday*' which she really enjoyed.

There was plenty of cake to go around and share with a lovely cup of tea.

Many happy returns Gracie!

Gracie loved her birthday cake!
