We held our much-anticipated Halloween party on Friday 29 October here at Woodstock Residential Care Home.

We invited **singer Rob T** to join us and he entertained us all with his fantastic music.

Our catering staff made us special **spooky Halloween cakes** and our staff '*dressed to impress*' in their Halloween outfits.

We held a **competition for best fancy dress**; **Carly** won first place as Poison Ivy and **Lauren** was awarded second place with her brilliant Shrek outfit!

Our ladies and gents loved having a dance and a sing-along to '*The Monster Mash*' and some of their other favourite songs from the 60s. We all enjoyed the atmosphere and decorations.

At the end of the day we held a **goodbye party** for our lovely resident **Heather**, who was leaving us to go back home to live with her son. We presented her with a special cake with candles and we all sang '*See you later alligator*' as a goodbye song!
