Alan celebrated his 90th birthday with us on Thursday 22 April here at Woodstock Residential Care Home.

He enjoyed a **lovely window visit from his daughter and son**, and was delighted to receive lots of presents and a beautiful **table tennis cake** from his family, reflecting his career as a table tennis coach.

Our Cook Lynn also made him an amazing table tennis themed cake on the day, so there were plenty of delicious slices to go around!

Many happy returns Alan!
