Elvis is in the house!

Staff and residents at Woodstock Residential Care Home wished resident Lily a 'Happy Birthday' last week on Friday 4 January.

Lily celebrated her 90th birthday on with staff, residents and family, and a singer and entertainer who doubles as Elvis!

Everyone loved singing along to songs by Chris Field – his renditions of *The Beatles*, *Beachboys* and *Elvis* went down a storm! It was a brilliant afternoon with lots of laughs.
