**On Tuesday 14 February we celebrated Dennis' 95th birthday at Woodstock Residential Care Home.**

Dennis received lots of cards and presents from his family, friends and staff at Woodstock.

He enjoyed celebrating his birthday with **singer Fred** who came for our **Valentine's Day celebrations** and loved visits from his family during the day.

We sang '*Happy birthday*' while we presented Dennis with a **gorgeous chocolate covered birthday cake** made by our Chef.

*Many happy returns Dennis!*
