On Saturday 8 July we celebrated Val's birthday at Woodstock Residential Care Home.

Val received lots of **cards and presents** from her family and friends and was very happy to show off her **new case of posh felt tip pens** to her friends at our Home.

Val had a lovely **birthday lunch** out with her family and friends and said she felt very spoilt on the day. Our residents and staff sang her '*Happy birthday*' and she was presented with a **lovely cake** called 'Freddie'. Val loved the cake and had a big smile on her face while blowing out the birthday candles.

Many happy returns!
