On Wednesday 13 September our lovely resident Viv celebrated her birthday with staff and friends at Woodstock Residential Care Home.

Her friends and daughter all sang '*Happy birthday*' to her as she was presented with a **gorgeous chocolate birthday cake**. Viv looked forward to sharing out her cake with everyone, and enjoyed a slice herself with a lovely cup of tea with her family.

She received lots of cards on her birthday and sang along with our Activities staff to wish herself a happy birthday in the morning!

Many happy returns Viv!
