On Thursday 19 August we enjoyed a relaxing afternoon of flower arranging here at Woodstock Residential Care Home.

Our ladies made the most **beautiful arrangements** for centre pieces on our dining room tables, carefully chosen to brighten everyone's day!

We all had a super time listening to music, arranging the blooms and chatting away with each other.

When our creations were complete, we had a lovely cup of tea and a piece of cake, and admired our gorgeous work!

Our floral centre pieces look wonderful!
