**On Friday 9 October our Manager Nicola presented resident Iris with a lovely bunch of flowers and a special certificate at Woodstock Residential Care Home; this was for all her hard work doing our sponsored walk, and for her and her family raising a wonderful £145 for Macmillan Cancer Support.**

Iris raised the money from doing laps of our garden and all her family members kindly sponsored her.

Her total was the biggest raised on the day and we wanted to say a special '*Well done*' to her and her family.
