Jubilee arts and crafts

On Sunday 29 May we got creative at Woodstock Residential Care Home and began to make our own bunting for the Queen's Platinum Jubilee.

We each decorated some **Jubilee themed templates** with colouring pencils; lots of bright colours, with **red, white and blue** of course!

We've been colouring in our bunting over the course of the week and on Sunday afternoon we all sat down together for a lovely, therapeutic session to finish it all off. We listened to some music and enjoyed a laugh while singing along.

We carefully cut out each template and punched holes in each corner and brought them all together with blue ribbon. We hung our bunting in the entrance of our **Home** and we are all **looking forward to celebrating the Jubilee this week**.

Balloon darts

We had a brilliant time playing a **balloon darts** game recently – the aim of the game was to **pop a red balloon to win a prize**, with

our residents having a choice of sweets to pick from.

This was such a **great way to exercise everybody's arms** while having fun (*and sweets!*) at the same time.

Balloon darts fun!
