Celebrating Italian culture with art

As part of our Nellsar Cruise to Italy, on Wednesday 12 May our residents at Woodstock Residential Care Home enjoyed an art class together.

We painted the iconic **Mona Lisa**, taking inspiration from the incredible artist **Leonardo da Vinci**. Our residents took time to study the painting, and then draw and paint their own versions – *which were fantastic!*

From making pizzas to enjoying gondola rides – our ladies and gents at **Woodstock** have really enjoyed their busy week of Italy-themed fun!

Making our own works of art!
