Our Woodstock Residential Care Home residents got to enjoy live music performed by Rob T with his ukulele last week.

We all enjoyed **singing along and clapping** our hands to his music.

Rob performed some of our favourite **40s, 50s and 60s music** such as 'Sweet Caroline' and 'Picture of You'.

One of our **Chefs, Agnes, was also celebrating her birthday** so we all sang 'Happy birthday' to her and got up and had a dance with her to celebrate.

Rob is always loved by our ladies and gents and we all had a fun afternoon.
