## Olympic dreams

**Our lovely residents at Woodstock Residential Care Home helped us paint a giant banner showing our support for the GB Olympic team this week.**

We hung it in our garden ready for our sports day next week when we'll be getting active ourselves and cheering everyone on.

Everyone loves to watch the Olympics and taking part is a good way get everyone involved in all the different games.

## Bingo

**On Friday 16 July our residents enjoyed playing bingo in the beautiful sunshine outside.**

Everyone had lots of fun playing and we all had lots of laughs. We served **ice lollies** to cool off, plus tea and cake of course!

We definitely enjoyed the change of scenery and will be enjoying the warmer days.

Garden bingo fun!
