On Wednesday 17 October our residents at Woodstock Residential Care Home were delighted to spend time with Trixie the greyhound - a beautiful Pet Therapy dog.

Trixie's owner Mandy has kindly volunteered to come to **Woodstock** once a week to spend time with our ladies and gents and we always really look forward to their arrival.

During this latest visit, we all gave Trixie lots of cuddles, strokes and attention, which she really enjoyed. Her calm nature really charmed us all.

Pet Therapy brings so much joy to our **Home**. Interacting with pets can help raise a smile amongst our residents, or aid relaxation, which is lovely to see.

Come back soon Trixie, we love having you!
